

Cindy Drozda

“The Fine Art of
Woodturning”

February 16th – 9:30am to 3:00pm

All-day demo: Fabulous Finials & Maximizing Burl Figure
Plus 3 hands-on classes

Cindy shows her knowledge, years of turning experience and love of woodturning through numerous books, published articles, exhibitions, awards, demonstrations and workshops! She is known as the “Queen of Finials” – don’t miss her demonstration on Fabulous Finials and Maximizing Burl Figure.

Fabulous Finials: Learn all of my “secrets” to successful finials! A Finial adds a whole new dimension and personality to a vessel or box. This presentation covers my signature style of Finial turning, including the tools, how I use a gouge to make basic spindle cuts, my finial turning method, and design philosophy

Maximizing Burl Figure: Cutting into a burl is like cutting a gemstone. To make my vessel the best art piece possible, I want to cut the burl so that the figure is placed to advantage on the form. This presentation explains what I have learned about the anatomy of a burl, and how to cut it to show its best figure on your turnings. I will make a natural edged burl bowl, showing how I orient the piece on the lathe to get a balanced edge, turning and sanding the unsupported edge, and reverse chucking of a piece with an uneven rim.

- \$25.00 Members
- \$35 Non-Members
- All day demo
 - 9:30am – 3:00pm
 - Includes lunch
